 Championship

Purpose of the Virginia Bass Chapter Federation

The Federation is established to preserve and promote the sport of angling largemouth bass, smallmouth bass, and spotted or Kentucky bass, herein known as Bass; to introduce youth to the sport of fishing; to conserve water and other associated natural resources; to work for an abundant, healthy and self-sustaining bass fishery where a natural potential exists; and to support the local, state and national agencies which conserve and manage the fresh water sport fishery and other associated resources.

Goals of the Virginia Bass Chapter Federation

The Federation, shall, in its operations, pursue the goals of organizing and conducting competitive fishing events which adequately provide for the needs of the bass and the angler; to establish live release of bass to their habitat as an integral part of sport fishing; promote realistic conservation of natural resources and causing adoption and enforcement of adequate water quality standards; of educating the membership in citizen involvement in the process of government; of supporting and cooperation with fishery management agencies and educational institutions in development of good fisheries for the future; of encouraging youth involvement in sport fishery and leading the chapters in organizing an conducting youth participation activities; of promoting public awareness of the Federation's purposes, goals, and activities; of timely and efficient communications with the membership through a regular published newsletter; of gaining new members and new chapters to TBF and the Federation; to generate revenues sufficient to conduct the programs of the Federation; of reducing the hazards of boat operation and sport fishing; of supporting the non-profit purposes and goals of TBF; and other such goals as may be established for the chapters and the committees of the Federation.

Virginia Bass Chapter Federation Regions

Presidents Corner Scott Whitmore

First of all, I hope everyone had a great summer and were able to spend time with Family and Friends. It seems like our 2025 season flew by this year as we just wrapped it up with the 2025 TBF National Semi Final Championship on the beautiful Ohio River. In the end Virginia Anglers Brad Huddleston and Mark Elliot punched their ticket to the 2026 TBF National Championship. Our 2026 Schedule is out and as announced at the June Board meeting we will begin with the East Regional to be held on October 25th on the Chickahominy River. Keep in mind this will be your first chance to secure your spot in the State Championship. With the growth of our state we can easily qualify well over 80 boats for the 2026 National Semi Final Tournament that will be hosted by us on Lake Anna the weekend of September 26th-27th.

As we have for the last couple of years, we have some new changes for the 2026 season. First off, the Angler catching the largest bass in one of our five State Team Trail tournaments will receive an end of the year award consisting of a large "Lunker of the Year" plaque and a \$100. Next item is at each state tournament will award a check for \$200 to the team that has the smallest 5 fish limit. You must be present to receive the award. If not present it will go to the next team up the results that meets the criteria. Next we have a couple National changes, starting with the National Semifinals and then at the National Championship the Co-angler creel limit will be reduced to 3 fish which will make the Co-angler side more competitive. Now on Day 1 if you only catch a couple fish you are still in the game not being out distanced by a 5 fish limit. This change was made by the request of multiple Virginia Anglers that asked me to present it at the National Presidents meeting in Pierre, South Dakota this year. The change was voted in by all State Presidents present. Like last year we will recognize an Angler/Co-angler of the year providing them a berth in the National Championship. We will also continue our 100% payout side pot at each event.

As we head into fall the air and water temperatures start to fall and as sportsmen, we get excited to get in the woods hunting and on the water fishing. The similarities are us hunters will start climbing trees and fishermen will be out on the water. A fall from a tree and or a fall into cold water can have devastating effects. Please remember to use those safety harnesses in the tree and your life vest on the water. This year we had a couple anglers tossed from their boat and thankfully their life vest deployed as designed. With this in mind, we will be monitoring the boat ramp this year for life vest compliance. You are required to wear your life vest when loading your boat on the trailer and the Angler retrieving the tow vehicle and trailer must wear their vest when exiting the boat to the dock. Once on the dock you can throw the vest back in the boat or carry it to the vehicle with you.

In closing I want to thank all the members of our State Federation for a great year and special thanks to the Virginia Bass Chapter Federation Staff for all their hard work throughout the year in bringing these tournaments to our members. Please support all the Sponsors of the Virginia Bass Chapter Federation and our National Sponsors, all of whom are listed in the Tightlines magazine. Next up after the East Regional will be the Richmond Fishing Expo January 16th-18th. Please come out and volunteer at our Reel Kids Casting and Raffle table.

Tight Lines,

Scott

2026 MEMBERSHIP:

2026 Membership Special: Starting on September 1, 2025, join TBF and get the remainder of 2025 for free. New members are eligible to participate in the remaining 2025 State, Region and Club tournaments and ALL tournaments and events throughout 2026.

The Bass Federation (TBF) Memberships are always open. Anglers can contact their Chapter/Club President to activate/renew your TBF membership at any time. TBF is much more than a tournament trail. Our founding principles are *Fishing*, *Youth* and *Conservation*. TBF members can qualify through their Club, Region and State Federation events to fish in the TBF National Semi Final Division Championship series, and then on to the TBF Federation National Championship, the BFL All-American, and a MLF Tour Championship. In addition to all this, the top Federation angler each year is awarded the TBF "Living the Dream" package, consisting of paid entry fees into Pro Tour as a professional angler and a fully equipped Ranger Boat.

TBF is "Owned by Those We Serve and Dedicated to the Sport of Fishing."

TBF Members have special access to Sponsor Product Discounts:

- Ranger Boats a direct rebate to any member who buys a new Ranger Boat!
- Power Pole, TH Marine, Lew's, Strike King and more
- Discounted MLF "Competitor" level membership upgrade

Contact a Virginia Bass Chapter Federation Official Now for information on how to get your membership started. Go to www.vabass.com, visit us on facebook at "Virginia Bass Chapter Federation", or contact the State President, Scott, by Email at stratos.22225@gmail.com.

The Ohio River was the site of the 2025 TBF District 12 National Semi Final Tournament hosted by the West Virginia Bass Federation on September 20th and 21st. This two day Federation National Championship qualifying event featured the top anglers from both Virginia and West Virginia. Forty-seven teams competed in this season's semi final tournament for their share of a \$15K plus payout in cash and prizes plus the opportunity to represent their State Federation at the Federation National Championship Tournament next spring.

Each year Federation anglers from throughout the nation compete through their respective club and State Federation Tournament Trails for the opportunity to advance to the TBF National Championship Tournament. The TBF's National Semi-Final Tournaments are the final qualifying events for the Federation National Championship. The National Semi-Finals format is comprised of 21 close to home district competitions with the top anglers and co-anglers from each state advancing to the "No-Entry-Fee" TBF National Championships.

Virginia and West Virginia Anglers began arriving at the Holiday Inn Express in Moundsville, WV early in the week in preparation for their three days of the District 12 National Semi Final Tournament official practice days. The competition weekend activities started with angler check in and a pre-tournament meeting on Friday evening at the Cabela's in Triadelphia, West Virginia. Anglers enjoyed some fellowship and product raffles leading up to the official meeting where the tournament staff went over the tournament rules, show times and issued the tournaments partner pairings for Day 1 of the two day competition along with the tournament launch order.

National Semi Final Results continued:

Leading up to the tournament anglers reported that the fishing was difficult. They attributed the tough bite to the area seeing over a month of drought which resulted in lower levels and reduced water flow needed to trigger the smallmouth bite. Several anglers indicated that while they were able to find some pods of active fish during practice that they all but disappeared on tournament days.

DAY 1: On Saturday morning the competitors gathered at the Powhatan Point Marina in Powhatan, Ohio starting around 5:00 AM in preparation for a 7:00AM "safe-light" tournament blast off. On this first day of competition, anglers were met with cooler temperatures and some patches of fog as they navigated down river.

In the Angler Division: West Virginia Anglers dominated the top five positions on the first day of competition. Jeremy Byers led the field with a five fish limit weighing in at 11.28 pounds. In 2nd Place was Roger Balser, who also had a limit of bass that weighed 9.99 pounds. The 3rd spot was held by Wes Lester who weighed in a 9.10 pound limit of bass. Trey Anderson's five bass weighed 8.58 pound putting him in 4th place. Trey also had the big bass on day 1 that weighed 3.46 pounds. In 5th place was Reed Alder who's limit of bass weighed 8.57 pounds. The top Virginia Angler, in 10th place, on the first day was Brad Huddleston with four bass that weighed in at 5.79 pounds.

In the Co-Angler Division: Leading the Co-Angler Division on the first day was West Virginia Co-Angler Tommy Goodson with a five bass limit that weighed 6.56 pounds. The 2nd place Co-Anger, also from West Virginia, was John Harkness who had four bass that weighed 6.41 pounds. In 3rd Place on the first day was Virginia Co-Angler Mark Elliott with four bass weighing in at 6.28 pounds. Another Virginia Co-Angler Tracy Gravely finished the day in 4th place with four bass weighing 5.83 pounds. In 5th Place was West Virginia Co-Angler Josh Ankrom with three bass that weighed in at 3.56 pounds.

DAY 2: On the second and final day of the event, anglers has to deal with a weather front that generated some wind, waves, and heavy rain as they worked their way through the locks towards the final weigh-in site.

DAY 2 - Angler Division: West Virginia Angler Jeremy Byers added another 5 fish limit weighing 9.64 pounds on day 2 to secure the Angler Division win with a total tournament weight of 20.92 pounds. West Virginia anglers dominated all of the top five spots for the tournament on day 2. The 2nd Place Angler was Doug Wine who moved up from the 15th spot on Day 1 by adding 4 fish on day 2 weighing 12.08 pounds. Doug's total tournament weight was 16.44 pounds. Andrew Goins secured 3rd Place with another Limit of bass weighing 8.52 pounds bringing his total tournament weight to 15.58 pounds. The 4th Place Angler was Rick Harkness who's day 2 limit of bass weighing 7.48 pounds. Ricks total tournament weight was 15.23 pounds. Finishing in the 5th spot was Luke Doughty with another limit of bass that weighed in at 7.05 pounds bringing his total weight on this final day to 14.73 pounds. The Top finishing Virginia Angler for the tournament in 10th Place was Brad Huddleston who added 4.41 pounds on Day 2 to bring his total tournament weight to 10.30 pounds.

DAY 2 – Co-Angler Division: West Virginia Co-Angler John Harkness brought three bass to the scales on the final day weighing 3.55 pound which was enough to secure the Co-Angler Division win with a total tournament weight of 9.96 pounds. In 2nd Place was Virginia Co-Angler Mark Elliott who added 2.60 pounds with two bass on Day 2, bringing his total tournament weight to 8.88 pounds. The 3rd Place was West Virginia Co-Angler Tommy Goodson who weighed in 2.16 pounds for a total tournament weight of 8.72 pounds. Finishing as the 4th Place Co-Angler was Virginia's Tracy Gravely who managed 2.29 pounds on Day 2 bringing his total tournament weight to 8.12 pounds. West Virginia Co-Angler John Taylor weighed in 3.55 pound on this final day to secure 5th Place with 7.04 pounds. West Virginia Co-Angler Bill Lovett had the Big Bass for Day 2 that weighed in at 3.56 pounds.

The TBF National Championship is a no-entry-fee tournament with a prize purse of over \$400,000 for the Top Anglers advancing through this Divisional National Semi Final Tournament. The 2026 TBF Championship is a weeklong event with the location announced later this year. In addition to the cash prizes, all anglers will receive a TBF National Championship hotel room stipend from TBF for the actual event days as a part of their qualifying prize. Additionally, all Boaters will receive a cash fuel stipend to help offset their boat costs. All 14 finalists can earn a Living YOUR Dream prize package of various sizes, and can advance to the 2026 BFL All-American if they are qualified. Anglers compete for one of two championships: the Angler (boater) Champion or the Co-Angler Champion. Following the official practice days, the full field competes on Days 1 and 2, and then the field is cut to the champion of each TBF's 7 geographical divisions. These Division Champions compete on the final day for the TBF "Live YOUR Dream" prize packages. At the 2025 Championship tournament, the boater National Champion's "Living Your Dream" package was valued in excess of a whopping \$125,000 in cash and prizes including a brand-new Ranger Z520 powered by Mercury 250HP outboard engine, rigged out and to KEEP! PLUS, a \$20,000 CASH prize, paid entry fee stipend into whatever they want to fish and much more! The Federation strongly believes in the value of co-anglers, so the 2024 National Champion Co-Angler "Live YOUR Dream" package was worth over \$30,000, including \$20K cash PLUS set paid entry stipends into the circuit of choice, and more!

National Semi Final Results continued:

Competing State Federations advance their top finishing anglers from each of the Angler Division and Co-Angler Division. The number of anglers that advance from each State is based upon the National Semi Final event level of participation. The more that compete – the more that can advance to the Federation National Championship. From this tournament, Virginia will advance the top angler from each division and West Virginia will advance their top two anglers and co-anglers to the National Championship Tournament.

The Virginia Bass Chapter Federations "TEAM TOURNAMENT TRAIL" series serves as the Virginia TBF National Semi-Final (NSF) Qualifiers plus introduces a new Virginia State Championship Team Tournament. The series consists of 4 qualifying Team Tournaments held in each of 4 Regions (North, South, East, & West) throughout the state. Each qualifying tournament is a single day event. With this format Virginia TBF Anglers now have an opportunity to compete for bigger payouts and a Virginia State Team Championship while reducing their costs plus the benefit of fishing locally on familiar waters. All four regional tournaments are open to all Virginia TBF members in good standing. Teams that fish any of the 4 Regional events qualify for the 2 Day State Championship Team Tournament. The State Championship event has a 100% payback in cash and prizes with a Champions Package awarded to the winning team (cash, awards, apparel, paid TBF National Semi Final entry, etc.).

This is a TEAM TRAIL where anglers complete the registration as a pre-designated team. Launch order is determined by the order in which registrations are received. All Regional Tournaments are single day events. The 2 day State Championship Tournament is only be open to those that fish a qualifying Regional Tournament. Those teams that win a qualifying Regional Tournament will receive free entry into the Championship Tournament. Teams that participate in 2 or more Regional Qualifying Tournaments in a season will have their registration fee reduced for the State Championship Tournament. The winning team from each of the four Regional Tournaments plus the top six teams (6 Anglers & 6 Co-Anglers) from the State Championship Team Tournament will make the **Virginia State Team**.

Virginia Angler & Co-Angler of the Year: Anglers will receive points for each Team Trail event they fish each season. The Angler and Co-Angler accumulating the most points from their best 4 out of 5 Team Trail Tournaments will be awarded the **Virginia Angler of the Year** and **Virginia Co-Angler of the Year**. Virginia's Angler and Co-Angler of the Year may bypass the National Semi Final event and advance directly into the TBF National Championship Tournament.

Teams have 3 options available for registration for the 4 Regional qualifying events.

- 1. Teams can download from the State Web Site (www.vabass.com), print, complete the registration, and mail the completed form with a check for payment. This method MUST be postmarked no later than 10 days prior to the event.
- 2. Teams also have the option to complete the registration and pay online through a link available on the State Web site (www.vabass.com). The online registration cutoff is midnight the Wednesday prior to the tournament.
- 3. If Teams do not register in time they may register at the tournament site the morning of the event. There will, however, be a \$25 administrative fee added to the tournament registration fee.

Registrations for the Virginia State Championship Team Tournament will be open by invitation to all qualifying teams.

For more info, go to www.vabass.com or visit us on facebook at "Virginia Bass Chapter Federation"

NEW for 2026 !

In our continual efforts to improve our members tournament experience the Virginia Bass Chapter Federation State Board has approved the following additional awards starting with the first tournemnt of the 2026 Team Tournament Trail season, the East Regional on the Chickahominy River, October 25, 2025.

Team Tournament Trail "Smallest 5 Fish Limit" Award

At each Team Trail Regional tournament and the State Championship Tournament the team that weighs in the "**Smallest Five Fish Limit**" during each event will receive a \$200 payout. At least one member of the winning team must be present to receive the award. If not present the award will go to the next team present that meets the winning criteria.

Team Tournament Trail "Lunker of the Year" Award

The State Federation run Team Tournament Trail introduces the "Lunker of the Year" Award for the biggest bass weighed in during the tournament season (four Regional and State Championship Tournaments). The Team Tournament Trail "Lunker of the Year' winner will be awarded a plaque and \$100 at the conclusion of last tournament of each season (the State Championship Tournament). The winning angler must be a current Virginia Bass Chapter Federation member at the time of the award. For example: Each Team Trail season runs from October through the State Championship Tournament the following year. The winning angler must be a current member through the State Championship event.

Virginia Angler & Co-Angler Of the Year

The Virginia Angler of the Year and Co-Angler of the Year is an Angler Recognition Award that acknowledges the Angler and Co-Angler with the best overall performance each season and gives them the opportunity to advance directly into the TBF National Championship Tournament, bypassing the National Semi-Final qualifying tournament.

Team Trail Tournament anglers are awarded points for each Team Tournament Trail tournament that they participate in. At the end of each season the Angler of the Year and the Co-Angler of the Year will be awarded based upon the total points earned for their best 4 out of 5 Team Trail tournaments. The Virginia Angler of the Year and Co-Angler of the Year may bypass the National Semi-Final Tournament to advance directly into the TBF National Championship.

Here's how the points will be awarded: The system is a 200 point system with a +2 points for the tournament winners. The top points awarded will be 200 for the winning anglers (200 for the Angler and 200 for the Co-Angler). 2nd place anglers will receive 198 points, 3rd place anglers will receive 197 points, 4th place – 196 points, etc. Any anglers participating and not weighing fish will receive 100 points each. Each Angler and each Co-Angler points from their best 4 out of the 5 team Trail tournaments will be totaled and counted towards the Angler of the Year or Co-Angler of the Year Award.

The Angler of the Year and the Co-Angler of the Year will qualify to advance to the TBF National Championship and receive a prize package as determined by the State Board of Directors. To maintain their entry into the TBF National Championship Tournament both the winning Angler of the Year and the Co-Angler of the Year must commit to participate in the TBF National Championship event by December 1st each year. No substitute anglers are allowed. Therefore, if either the Angler of the Year or the Co-Angler of the Year declines to participate then neither angler can advance to the National Championship event. Once both anglers have committed to participate in the TBF National Championship Tournament, the State Federation will make the necessary arrangements with TBF, Inc. to secure their berth in the Championship event as Virginia's Angler and Co-Angler of the Year.

With the Angler & Co-Angler of the Year Award, each Team Trail participant can now compete for the opportunity to advance directly into the No-Entry-Fee TBF National Championship event as the Virginia Angler of the Year or Co-Angler of the Year.

The Virginia Bass Chapter Federation Team Tournament Trail format stays the same as in past years – 4 Regional Tournaments and a Team Trail State Championship Tournament.

Current Standings are available on the State web site: www.vabass.com.

Rick and Chris Mills Capture the 2025 Virginia Angler & Go-Angler of the Year Titles

The Father and Son duo of Rick and Chris Mills are the 2025 Virginia Bass Chapter Federations Angler of the Year and Co-Angler of the Year. Both anglers earned their titles through a season of consistent performance throughout the 2025 Team Tournament Trail events. Rick and Chris didn't win any of the Team Trail tournaments this season but their constantly being in the hunt earned them valuable points at each event towards their AOY and Co-AOY Championships. As a team their average finishing position over their best four out of five Team Trail Tournaments was impressive. They finished in the top seven for each of their best four out of five tournaments. Even their drop tournament was an eleventh place finish.

As the Virginia Angler and Co-Angler of the Year Rick and Chris will now advance directly into the 2026 TBF National Championship Tournament next spring. The TBF National Championship is a "no-entry-fee" tournament where the top anglers from throughout the United States and Canada compete for their part of a prize purse of over \$400,000.

These anglers are no strangers to the TBF National Championships since Rick and Chris both earned their way into the 2024 Championship tournament as the Top Virginia Angler and Co-Angler during the 2023 District 12 National Semi-Final Tournament on West Virginia's Monongahela River. Over the years this father and son team has proven to be skillful anglers winning multiple tournaments including the 2023 Virginia Team Trail State Championship.

"Be sure to ask for your Virginia Bass Chapter Federation Rate"

2026 National Semi-Final Tournament

26-27 September 2026 on Lake Anna, Mineral, VA

Hosted by the Virginia Bass Chapter Federation

Who Qualifies: Top 10% of each Division (Angler & Co-Angler) from each State Team Tournament Trail event (North Regional, South Regional, East Regional, West Regional & State Championship Team Tournament); Top 10% from each division from each Region Tournament Series event (Anglers qualifying through Region Series Tournaments must have participated in a State Team Trail Tournament each season). A minimum of One Angler & 1 Co-Angler from each club statewide additional Angler/Co-Anglers qualify based on club membership (1-19 members = 1 Angler/ 1 Co-Angler; 20-29 members = 2 Anglers/2 Co-Anglers; 30-39 members = 3 Anglers/3 Co-Anglers; etc.) additional opportunities to qualify for those TBF members serving as Youth Program Tournament Boat Captains.

Virginia Federation Team Coordinator: Scott Whitmore Cell: (757)707-7631 Email: Stratos.22225@gmail.com

Qualified Angler Identification Process: Anglers who qualified through state tournaments (Team Tournament Trail and Region Tournament Trails) will be identified to TBF by the State Federation. Anglers representing each chapter/club will be identified by 30 June 2026 to the State Federation President. Qualified anglers will complete their State level registration and pay entry fees online through the State Federation. Once all qualified anglers have committed to fish the event and paid the required registration fee, the State will compile the master roster and forward the names to TBF.

TBF Registration: TBF will notify qualifiers via Invitation Email and link to their on-line final registration portal. Anglers must indicate acceptance of the email invitation to compete and register. Registration is completed online through TBF by following the email link provided. Once registered all communication will be by the email and/or phone indicated on your TBF membership profile. Registration fees will be paid through the Virginia Bass Chapter Federation web site. Registrations are non-refundable.

Tournament / Ramp Location: Lake Anna, Mineral, Virginia. Ramp: Sturgeon Creek Marina

Angler Contingency Programs

The following Contingency and Incentive Programs are available to Virginia Bass Chapter Federation Members to participate in. Anglers <u>MUST</u> join each program every year and declare your participation prior to each tournament.

MLF "Competitor Level" Membership Upgrade:

Anglers TBF annual membership includes the "subscriber level" MLF membership. The "Competitor Level" membership is required to fish in any MLF series. Any angler that wishes to compete for the opportunity to advance beyond the TBF National Championship to an MLF Tournament series MUST upgrade their membership level to the "Competitor Level" PRIOR to fishing the TBF National Semi Final Tournament each year. TBF members receive a discounted rate of \$48.75 for the membership upgrade.

BENEFITS FOR TBF MEMBERS PURCHASING A NEW RANGER BOAT

Ranger® Boats continues to deliver the greatest rewards! For every new Ranger boat purchased by a TBF member from an authorized Ranger dealer between Jan. 1, 2025 and December 31, 2025, your Federation earns even more great gear and the Federation member will receive:

- 1. \$300 Clothing Certificate
- 2. \$125 Federation Contribution
- 3. Opportunity to take home your share of lucrative Ranger Cup® payouts!

Click the following link to download the voucher, then complete it and return within 60 days of purchase along with proof of TBF membership and a bill of sale from your new Ranger boat:

https://www.rangerboats.com/ranger-bonus-voucher.html

Angler Contingency Programs

Register at: NITRO: https://www.nitro.com/tournament-rewards.html

RANGER: https://www.rangerboats.com/ranger-cup.html

TRITON: https://www.tritonboats.com/triton-gold.html

Participation in this industry-leading program makes you eligible to receive up to \$10,000 in extra cash when you compete in eligible tournaments and win from your NITRO and TRITON boat! Choose from local, regional, and national tournaments. Remember: before you are eligible to claim prizes, you must be a registered NITRO Rewards or TRITON Gold member prior to entering a tournament.

Visit the <u>NITRO Rewards Website</u>, the <u>Ranger Cup Website</u> or <u>Triton Gold Website</u> for complete details and registration. Registration must be completed and submitted prior to participation in a qualifying event in order to be eligible for prizes. Program term begins January 1 of current year and ends December 31 of current year.

- NO MEMBERSHIP FEE!
- NO LIMIT ON NUMBER OF TIMES YOU CAN WIN!
- Must sign up each year to qualify. The membership expires December 31 of each year. Please register on the **NITRO Rewards Membership**, **Ranger Cup** or the **Triton Gold** website.
- Must own a 2014 or later, new or used NITRO, RANGER, or TRITON boat.
- The boat must be within the last four model years to qualify for Maximum Payout.
- Members must wear apparel displaying the NITRO, RANGER, or TRITON logo while competing, and at weigh-ins. A photo during weigh-ins to confirm apparel compliance is required with claim submission.
- Must display NITRO Rewards, RANGER Cup, or the TRITON Gold decal on driver's windshield/console of the boat.
- The factory installed NITRO, RANGER, or TRITON decals must be on the qualifying boat in the appropriate position. If the boat is wrapped, the decals must be put back in the same location and must be visible.
- It is recommended that anglers submit claims online for efficient processing.

NOTE: Participants MUST be registered PRIOR to the event. Claims for rewards are solely the angler's responsibility.

Angler Contingency Programs

Register at: https://www.toyotatrucksbonusbucks.com/

In addition to submitting the registration form, you must also email or mail a copy of your truck registration and/or title to:

TOYOTA BONUS BUCKS PROGRAM

7120 E. 13th Street Tulsa, OK 74112

bonusbucks@dynamicsponsorships.com

HOW THE 2024 TOYOTA BONUS BUCKS CONTINGENCY PROGRAM WORKS:

1. DRIVE A TOYOTA

Own or lease a 2021 or newer Toyota Tundra, Sequoia, Tacoma or 4Runner. Vehicle must be registered in your name individually or jointly. Drive / use your eligible Toyota vehicle as your primary tow-vehicle at supported Toyota Bonus Bucks Tournaments. Please note vehicle eligibility now requires a model year of 2020 or newer. In 2025, vehicle eligibility will roll to model year 2021 and newer.

2. REGISTER

Complete the official Program registration form online, email or U.S. mail. In addition, submit a copy of your current vehicle registration and / or title with your Program registration form. Registration must be received and confirmed by the Toyota Bonus Bucks Program Office prior to fishing in your first contingency paying event. You will receive an email response once your registration has been approved. You do not have to re-register for the Program annually, unless your information has changed.

3. FISH

Participate in a contingency paying tournament, and post the highest placing finish of those who have registered for the program. Select Bassmaster, MLF and Team Tournament Trail events will pay the top two highest placing finishes. Highest finishes must fall within the top 50% of the field, with a minimum field size of no less than 30 boats. A list of supported events and payouts are posted on this website.

4. REDEEM

Submit the Official Contingency Claim Form, along with a copy of your truck title and / or current truck registration, within 30-days of your finish. Upon verification and approval, your contingency payment will be sent via U.S. mail. Winners should allow a minimum of 8 weeks for approval, processing and distribution.

NOTE: The District 12 TBF National Semi Final Tournament is an eligible event and State Team members are eligible for this contingency program. Participants MUST be registered PRIOR to the event. Claims for rewards are solely the angler's responsibility.

Angler Contingency Programs

IMPULSE LITHIUM TOURNAMENT REWARDS PROGRAM

Using your Impulse Lithium Battery and Winning a qualified TBF Tournament pays!

DON'T MISS OUT REGISTER NOW at: https://impulselithium.com/tournament-rewards/

OWN IMPULSE LITHIUM BATTERIES: Owning an Impulse Lithium battery just got better! Not only do you own a premium lithium battery, but now you can also rack up on prize money by using your Impulse Lithium batteries in qualifying fishing tournaments.

Restrictions and rules apply. Visit: https://impulselithium.com/tournament-rewards/

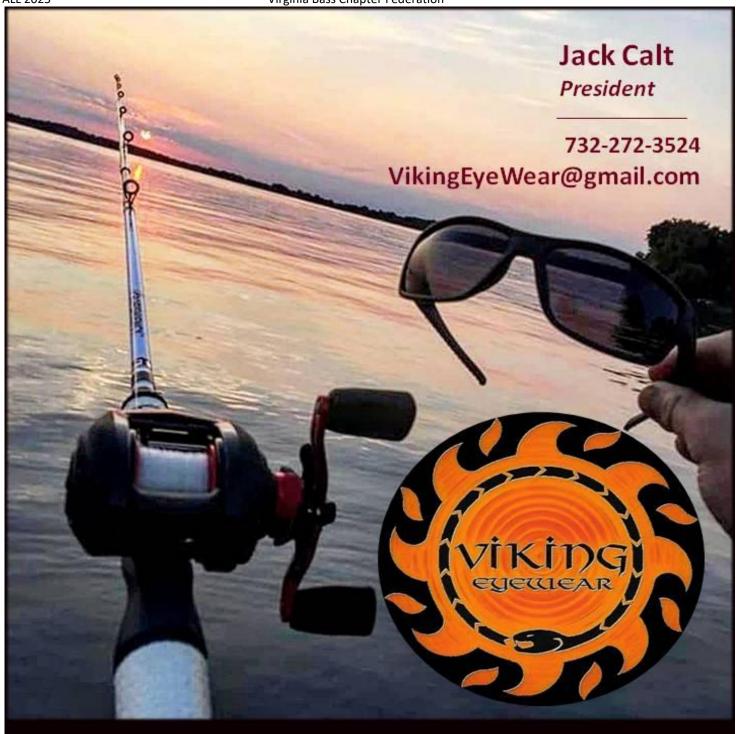

REGISTER: Anglers must be entered into the Impulse Lithium Tournament Rewards Program prior to the event start.

FISH A QUALIFYING TOURNAMENT: Registered Impulse Lithium Tournament Rewards Program Anglers fishing in any TBF tournament with 60 boats or more are eligible.

CLAIM YOUR REWARD: Win a qualifying tournament and submit your claim form within 30 days of the tournament results to claim your Impulse Lithium Tournament Award.

NOTE: Participants MUST be registered PRIOR to the event. Restrictions and Rules Apply. Claims for rewards are solely the angler's responsibility.

MINN KOT

Vice President Steve Hajdasz

A note from the VP:

With the 2025 tournament season coming to a close, I can honestly say that this season was a successful and productive year. The 2025 tournament season saw the start of the new Angler of the Year and the Co-Angler of the year recognition program. This program was initiated to recognize our most consistent top performers each season. As the Angler of the Year and Co-Angler of the Year they are rewarded with the advancement directly to the TBF National Championship tournament. Congratulations to Rick Mills, the Angler of the Year, and Chris Mills, the Co-angler of the Year, who will be competing in the TBF National Championship next spring.

Our new State raffle format was a tremendous success as we sold out all of the tickets 5 months before the anticipated date. The money raised through this effort allows us to provide for a myriad of items to include more and better prizes at the State tournaments, paying for new and better clothing items, allow us to advance our AOY and Co-AOY entries to the National Championship along with other equipment upgrades and program enhancements. Thanks go out to all who helped in the sale of these tickets as we could not have had such a success without the help of the Region Directors, the membership and volunteer staff.

On the note of the staff we have who are all volunteers (even though some are elected to their positions). This starts with our President, Region Directors and of course and the tournament staff that give so freely of their time, knowledge and abilities. I want to send a personal note of thanks to our Region Directors, Kenny Brown – Region 1, Chuck Hart -Region 4, James Vick – Region 6, John Flicek – Region 8 (who is also our Tightlines Editor and Conservation Director) and Tim Keen – Region 10. Extra special thanks needs to go out to our Treasurer Stephanie Brewer, Secretary and Web site manager Tammy Caldwell, Assistant Tournament Director Becky Conley, Youth Director Tim Mick, and of course our Tournament Director Alton Vaughan. Without these dedicated individuals who work tirelessly, we would find it difficult if not impossible to conduct our many events and tournaments each season. And of course thank you for the support from our membership.

Steve Hajdasz Vice President

Conservation Director John Flicek

We continue to work closely with the Virginia Department of Wildlife Resources on issues concerning Invasive Species and Clean Drain Dry policy compliance. Another issue that keeps surfacing is compliance with the requirements for Tournament Permits when holding events at VA DWR ramps as well as those managed by the Corps of Engineers, State Parks, Municipalities, etc. As an organization we need to ensure we are taking the proper measures to secure required permits for the various tournaments locations across the state. At this time of year most of our Regions and Clubs are preparing their 2026 tournament schedules. This tournament scheduling process should include the acquisition of any needed permits. Awareness and finding the right point of contact to obtain the needed permit can be a challenge as many of the permit requirements are not as openly advertised as they could be. I've been working through the various permit processes for many years in support of local Club and Region tournament schedules. In the following pages I have prepared a guide to assist in understanding the requirements and some of the processes to be taken when acquiring a tournament permit. The information we've included in the "Permit Guide" are primarily governing waters in the eastern and central parts of the State. We will work to expand the information provided over the next few editions of Tightlines. I'm sure there are likely additional requirements for the various bodies of water where our Clubs and Regions conduct tournaments. We welcome angler inputs to expand the informational guide.

We promote the responsible harvest and consumption of spotted bass. I know that is a new position for a bass fishing community to take as we all have been advocates of the *Catch and Release* of any bass. However, the **Alabama Bass** has been designated as an **Invasive Species** here in Virginia and the VA DWR has removed creel limits for spotted bass in an effort to curb the spread of Alabama Bass. Responsible harvest represents a change in our way of thinking and along with that comes some educating on species identification. I recommend each of you pay particular attention to the "Know the Difference" graphic in this issue following the DWR Chief of Fisheries article. Make sure you know how to properly identify any spotted bass for intended harvest.

"CLEAN — DRAIN — DRY": Anglers are reminded that the unauthorized movement of fish/plants/aquatic life from one body of water to another jeopardizes the health of our fisheries and is illegal. Aside from the illegal movement of fish other measures have been enacted to help curb the spread of invasive species and nuisance plants/organisms with the implementation of "CLEAN — DRAIN — DRY" policies. Boaters are required by law to remove any vegetation from their boat/trailer and drain bilges when removing there vessel from the water. The regulation doesn't require that you immediately drain livewells if you are retaining your catch for weigh-in or harvest. However, unused livewells and baitwells should be drained on site. Regulations also require that reasonable measures should be taken to dry out bilges, livewells and baitwells prior to launching into another body of water.

Invasive Species Efforts --- What do you need to know?

ALABAMA BASS: The Alabama Bass Education, Identification, and Containment Project efforts continue with distributing the educational brochures and sampling packets throughout the State. Anglers are asked to report all suspected Alabama Bass catches from any body of water other than the Claytor Lake, Diascunds Reservoir, Kerr Lake, and Lake Gaston. The VA DWR Fisheries Management Team has put together a rapid response group that will investigate reported catches in an attempt to measure the extent of the Alabama Bass movement and make recommendations for future actions necessary to contain their spread. Anglers are encouraged to harvest all spotted bass caught.

Anglers are reminded that it is Illegal to stock fish into a public body of water without an authorization from Virginia Department of Wildlife Resources (DWR). Anyone with knowledge of intentional stockings of Alabama Bass or any other species should contact DWR law enforcement at 800-237-5712 or WildCrime@dwr.virginia.gov.

The Reporting Process - If you catch a suspected Alabama Bass:

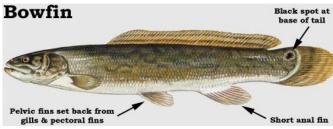

- 1. Take a picture of the fish.
- 2. Clip off a thumbnail-sized portion of one of the pelvic fins (pelvic fins are located on the bottom of the fish, just under the head.)
 - 3. Store the fin clip dry in an envelope.
- 4. Email picture to: <u>fisheries@dwr.virginia.gov</u> for verification with name of angler, location caught, date caught, & phone number.
 - 5. Mail the fin sample collected to the address provided when requested.

NORTHERN SNAKEHEADS: Anglers are reminded that it is illegal to possess a live snakehead in Virginia. Anglers are encouraged to kill and report any snakeheads they encounter. In an effort to track Snakehead migration VA DWR has established a **SNAKEHEAD HOTLINE** that anglers can use to report snakehead fish: **(804-367-2925)** Take a picture of the fish, report the angler's last name, date of catch, location of catch, and size.

Northern Snakehead

Similar-Appearing Native Species

Anglers are required to report snakeheads if caught. Snakeheads <u>must be dead if in possession</u> (contained in live well, cooler, etc.). The DWR asks that all snakeheads be killed if possible. If an angler wishes to keep a legally caught northern snakehead, the fish must be killed to be in possession.

Feel free to contact me if you any questions or concerns

Fishing Tournament Permit Guide

Virginia DWR, North Carolina WRC, The Army Corp of Engineers and many local jurisdictions require a permit to hold a Fishing Tournament at one of their boat ramps or Parks. The permit process varies significantly by agency which can be somewhat confusing and frustrating to navigate. The next few pages can be used as your resource for obtaining your required permit when scheduling a fishing tournament at one of their facilities. Club Presidents, Region Directors and Tournament Directors need to research your local jurisdictions to insure the required permits are obtained for each event.

VIRGINIA: The **Virginia Department of Wildlife Resources (DWR)** requires a **Special Use Permit** for fishing tournaments/rodeos/derby's/etc. utilizing any VA DWR owned boat ramp or facilities. Special Use Authorization Application is available online at: https://dwr.virginia.gov/forms-download/PERM/PERM-005.pdf. Applications need to be submitted a minimum of 30 days prior to the date requested but no more than 60 days prior to the requested date. Completed applications are to be submitted to:

Virginia Department of Wildlife Resources Permits Unit P. O. Box 3337 Henrico, VA 23228-3337

Shirl Dressler

Phone: 804-367-6913 / Email: shirl.dressler-setzer@dwr.virginia.gov

The Go Outdoors Virginia mobile application is an excellent resource for identifying and the locations of DWR ramps and boating access areas. You can download the application at: https://dwr.virginia.gov/app/

HENRICO COUNTY: Many clubs and regions use Osborne Landing on the James River for their tournaments. In addition to the VA DWR permit requirement for utilizing the DWR owned ramp Henrico County Division of Recreation and Parks also requires a Park Event Permit for Osborne Landing Park. The application process is accomplished by completing submitting the online request available at: https://henrico.gov/services/apply-for-a-park-event-permit/. As part of the application process you are required to provide a Certificate of Insurance showing coverage for at least \$1,000,000 for each occurrence. TBF Clubs/Regions can request a Certificate of insurance for their tournament online from TBF at: https://www.bassfederation.com/insurance-certificate-request-form/. TBF requests that you allow 14 business days for processing. The Certificate of Insurance will be emailed to the individual making the request. https://www.bassfederation.com/insurance-certificate-request-form/. TBF requests that you allow 14 business days for processing. The Certificate of Insurance will be emailed to the individual making the request. https://www.bassfederation.com/insurance-certificate-request-form/. TBF requests that you allow 14 business days for processing. The Certificate of Insurance will be emailed to the individual making the request. https://www.bassfederation.com/insurance-certificate-request-form/. TBF requests that you allow 14 business days for processing. The Certificate of Insurance will be emailed to the individual making the request. https://www.bassfederation.com/ insurance you have obtaine

Once you have submitted your Henrico County request and obtained your Certificate of Insurance from TBF you need to forward the certificate to the Henrico County parks Special Events Division. The Henrico County Parks point of Contact is:

Special Events Division
Henrico Division of Recreation and Parks
6800 Staples Mill Rd
Henrico, VA 23228

Jeannie Murray

Phone: 804-501-5127 / Email: mur12@henrico.gov

Tournament Permit Resources continued:

North Carolina: North Carolina Wildlife Resources Commission has an online application portal to apply for a permit to utilize one of their ramp facilities for your tournament. The online application is available at: https://www.ncwildlife.gov/boating/boating-access-area-event-permits.

Kerr Lake: Permits are required for ALL tournaments regardless of size. The Army Corps of Engineers permit request forms can be obtained at: https://www.saw.usace.army.mil/Locations/District-Lakes-and-Dams/John-H-Kerr-1/Special-Events/

Requests are accepted on the 7th business day of November each year for the following calendar year. Completed requests and appropriate fees are to be mailed to:

Special Events Coordinator John H Kerr Reservoir 1930 Mays Chapel Road Boydton, VA 23917-9725

Ranger Richard Brown Phone: 434-738-6143 ext 6151

Lake Gaston: Lake Gaston tournament permits are required when using any North Carolina Wildlife Resources Commission owned ramp or Virginia Department of Wildlife Resources (DWR) owned ramp. Permits can be obtained through the processes for the appropriate **Virginia** or **North Carolina** agency.

Leesylvania State Park: Leesylvania State Park is a popular location for Potomac River Tournaments. There is a Special Use permit process for fishing tournaments. Special use permits require a \$25 processing fee and take at least 30 days to process. It may prove impossible to process requests made fewer than 30 days in advance in time. Special use permits can be obtained by calling the park office directly at 703-730-8205, emailing: Leesylvania@dcr.virginia.gov or by visiting the park office in person.

Tournament Permit Resources continued:

James City County Tournament Facilities - Permits

James City County Parks and Recreation welcomes local, regional, and national fishing tournaments at Chickahominy Riverfront Park and Little Creek Reservoir Park. A **Fishing Tournament Permit** is required for any tournament of 20 boats or larger. Chickahominy Riverfront Park (CRP) can accommodate larger tournaments of up to 100 boats. Little Creek Reservoir Park can accommodate smaller tournaments. Unfortunately, fishing tournaments are not allowed to launch from Brickyard Landing Park.

Optional amenities at CRP include a dedicated tournament weigh-in area, field/fishing pier rental (exclusive), and the option to conduct weigh-in activity in the boat trailer parking area (limited to a 72"x30" table or truck bed for weigh-in).

The unique amenity at CRP is the dedicated Tournament Weigh-In Site. The site can be rented for \$30/day and includes power access at the old camping site #111. The site must be rented in order to have access to the fish release pipe. To use the pipe, you must pump water to the head of the pipe from Gordon's Creek and maintain sufficient water flow during fish release (user must supply their own submersible pump). Additional instructions are posted on site.

James City County Fishing Tournament Permit Process

- 1. A permit is required for ALL Tournaments of 20 Boats or more. The Permit Application is completed through the JCC PermitLink System https://jamescitycountyva-energovweb.tylerhost.net/apps/selfservice#/home
- 2. There is a \$25 permit processing fee (it is recommended that if you are having multiple tournaments during the year at the same location that you put all the dates on a single application).
- 3. There is a \$250 refundable security deposit required when processing the permit(s).
- 4. A Certificate of Insurance showing \$1M liability coverage with James City County shown as the additional insured is required for each event at least 30 days prior to the tournament.
- 5. Prior to the tournament the JCC Facility Coordinator (permit office) will email the Tournament Organizer a James City County Dated Ramp Pass that you can reproduce as needed for your tournament.
- 6. Tournament Organizer is REQUIRED to collect ALL ramp fees for your participants and make payment at the park office by noon of the tournament day (\$8 Non-James City County residents, \$5 for county residents, waived for annual pass holders and campers).
- 7. The Tournament Organizer is required to check-in with the Park Coordinator or Guest Services no later than 30 days prior to the event.
- 8. The County will issue permits for multiple tournaments or park activities on any given day up to the limit of available parking. Tournament Organizers are encouraged to coordinate launch and weigh-in times/locations for their tournaments to minimize congestion during launch and recovery at the ramp area.
- 9. No parking is allowed at any time on the roadway in front of the weigh-in site. All vehicles and trailers must be parked in the designated parking area in the field. If the weigh-in site is rented, it is the responsibility of the tournament director to manage its access, use, and cleanup.

Greetings TBF Members,

We've all heard the phrase "Grow the Sport" when it comes to tournament fishing. Organizations like TBF do a fantastic job introducing anglers to tournament fishing and in providing opportunities for younger folks to get on the water. We do similar things as an Agency, and I wanted to call your attention to the efforts we have in place to get new anglers on board. We call it R3 – Recruit, Reactivate, and Retain.

To recruit new anglers, we host a variety of fishing workshops with a particular focus on Free Fishing Weekend – the first Friday/Saturday/Sunday in June. At these workshops, we provide loaner tackle and instructions for people who have never been fishing. Although most of us were taken fishing by a family member when we were young, I've met many people who never had anyone to take them fishing. It's incredibly rewarding to take someone fishing for the first time or to provide them with the training they need to take their kids or grandkids out with them for some time outside. To support this, our management program works very hard to provide fishing opportunities for anglers who are learning to fish – it's a big reason why we stock more than 100K channel catfish yearly – they are easier to catch than bass and rather tasty.

Reactivation and retention are closely related. Reactivation is getting anglers back into fishing who haven't been in a while and retention is keeping anglers fishing. We work to get people back into fishing by highlighting the opportunities that are available. Virginia has some great fishing, and we try to promote what is available and what we do to provide those opportunities. We try to get people excited to get back out there and keep them engaged with quality fishing. As bass anglers, we don't really need to be reactivated or retained, but many less serious anglers need a little bit of a reminder that fishing is a great way to relax and enjoy the great outdoors.

Why does this all matter? Quite simply, two reasons. One, for us it's a business case. We are funded by license sales and Sport Fish Restoration dollars from fishing tackle excise tax. The more licenses we sell, the more revenue comes in. Declining participation impacts our funding and our ability to manage fisheries. Second, influence, and that's why these things are important for TBF. Sportsmen need to be conscious of decisions that impact them and their interests. More anglers mean strength in numbers and more opportunities to mobilize and make statements about what impacts their interests. It also helps to bolster the case about the importance of anglers to the economy, as sport fishing supports tremendous economic impact in the US – more than \$250 billion – while supporting more than 1 million jobs. To get a better understanding of the importance of fishing and angler advocacy, I encourage you to check out the American Sportfishing Association's website at asafishing.org.

Good Fishing,

Mike Bednarski Chief of Fisheries – Virginia DWR Mike.bednarski@dwr.virginia.gov 804 432-7244

DO YOU KNOW THE DIFFERENCE?

- Anglers are reminded that the introduction of novel predators can have unforeseen impacts on native or established ecosystems.
- The introduction of Alabama bass is illegal in Virginia. Alabama bass have been scientifically shown to out-compete established populations of largemouth bass and hybridize with smallmouth bass.
- Invasive species cause negative ecological and/or economic harm.
- Anglers who suspect they have captured an Alabama bass should take a picture of the fish, clip
 off a thumbnail-sized portion of one of the pelvic fins, and store the fin clip dry in an envelope.
 The pelvic fins are located on the bottom of the fish, just under the head. They should then either
 contact the Department of Wildlife Resources at: fisheries@dwr.virginia.gov or 804-367-1293.

Youth Program Director Tim Mick

I want to thank all of our state sponsors, region directors, members, staff and all SAF and Jr state members for all their support!

First, I would like to congratulate the Virginia JR State Champions, Kole Reynolds and Andrew Richardson with a 6th Place finish in the nation at the Junior Nation Championship at Lake Oahe, Pierre, South Dakota. These two young men represented Virginia above and beyond and walked away with a \$250 scholarship each. SUPER JOB!

Also, at the SAF High School World Semi Finals Joshua Smith and Landon Ray of the Honaker High School Tigers finished 28th out of 74 teams, at Grand Lake, Grove, Oklahoma. Great Effort Guys! Virginia is very proud of these men.

Now for some NEW news, I am the coach for a Student Angler Federation (SAF) team, the "THE Student Anglers of Virginia", for any SAF level angler or team that doesn't presently have a high school SAF affiliated team. For more information contact me to get your team signed up. We are looking forward to getting this new team up and running. Keep your eyes on the Virginia Youth Facebook page for new opportunities to fish 2026 tournaments.

Also, our TBF Junior Angler club, Castaway Lip Rippers, is still open for new Junior Anglers in an effort to put future Junior Angler teams on the water. Memberships are always open. Anglers can contact me to get started. FYI, the 2025 State Champions, Kole and Andrew, were members of this club.

The 2026 SAF and TBF Junior Angler Virginia State Championships date has been set for March 14th at Smith Mountain Lake out of Parkway Marina. The host Hotel is the Lake Inn, 45 Enterprise Lane, Hardy, Virginia, and phone is 1-540-721-3383.

TBF Junior Angler and the Student Angler Federation (SAF) memberships are always open. There is only a \$25 annual membership fee per angler. There are no entry fees at any of our Virginia Federation hosted Junior or SAF tournaments. All you need is a boat, two anglers and a boat captain to fish in either the TBF Junior Angler (8th grade and under) or SAF (9th thru 12th grade) level. Watch for a tournament scheduled in your area in each issue of Tightlines, on the State web site: www.vabass.com and on our Facebook page. Feel free to contact me with any questions.

Lastly, please visit and support the many TBF State and local sponsors; you see their ads throughout this publication. Without them we cannot continue to grow our program.

Be careful out there and fish much.

Tim Mick State Youth Director

Email: tmickbass@verizon.net

Cell: 804 943-5151

Upcoming Events

Reel Kids Casting Skills events and State Championship will be at the Richmond Fishing Expo 16-18 January 2026. Reel Kids Casting Skills events will be held during the annual Spring Fishing Classic at the Bass Pro Shops, Hampton, VA in March 2026.

Check out our Youth Fishing Facebook page at https://www.facebook.com/virginiatbfyouth for the up-to-date news and happenings in the Virginia TBF Youth Program

Virginia Youth Anglers Compete at State Federation Region Tournaments

Under the new format for Virginia Youth Anglers, teams are allowed to participate in State Federation Region Tournaments and earn points towards a State Youth Team of the Year Title. Youth Teams enter (no entry fee), launch, and weigh-in with the adults during Region Tournaments. Teams are awarded points based upon the number of Youth teams competing in the event and their finishing place among youth teams. Points for the youth teams from throughout the state will be complied and their top 3 point earning events will be tallied to determine the Virginia Youth Team of the Year. Each year the Youth teams from throughout the state will gather for a tournament and head to head competition to determine who will represent Virginia at the TBF Junior World Championship Tournament.

Virginia High School Angling Teams are also invited to compete at State Federation Region Tournaments to earn points towards a Virginia High School Team of the Year title. The High School Anglers also compete in the Student Angler Federation events and the SAF hosted State High School Championship Tournament each year.

Youth Anglers must be a member of an active TBF Junior Club or the Student Angler Federation (SAF). Each Youth Angler Team must arrange for their own boat and boat captain and complete the required Emergency Medical Information Event and Liability/Parental Consent forms. Youth Teams will launch and weigh-in with the host tournament anglers and earn valuable points towards the Virginia TBF Junior Angler or High School State Championship title.

Virginia Bass Chapter Federation Point of Contact for Youth Angler memberships and tournament registrations are: Tim Mick, Email: tmickbass@verizon.net or Scott Whitmore, Email: stratos.22225@gmail.com

Student Angler Federation High School Program

The high school fishing program is ran by the TBF National Office. Each year High School Anglers have the opportunity to fish the Virginia High School Championship Tournament and Bass Pro Shops/MLF Open Tournaments. Tournament dates, locations and additional information on additional opportunities for Virginia High School Anglers to fish local events will be shared on the VA TBF Youth Facebook page. Student Angler Federation Membership and Registrations for SAF High School Tournaments and the High School World Finals/National Championship are processed online through the Student Angler Federation web site: https://highschoolfishing.org/.

2025 Virginia Youth Tournament Schedule

The following tournaments are available for Youth Anglers (Junior Anglers and SAF High School Anglers). Anglers may contact the Virginia State Youth Director or the Host Region indicated for each tournament listed below for specific tournament information (Contact information is available on page 3 of this publication). Additional information will also be shared on the VA TBF Youth Facebook page for each event: https://www.facebook.com/virginiatbfyouth/

Youth Program continued:

Virginia Youth Anglers Compete in the TBF Jr. Angler World Champioship

The **Junior Angler Division 2025 State Champions** Kole Reynolds and Andrew Richardson competed in the TBF Junior Angler World Championship Tournament on Lake Oahe inPierre, South Dakota on July 30th through August 1st.

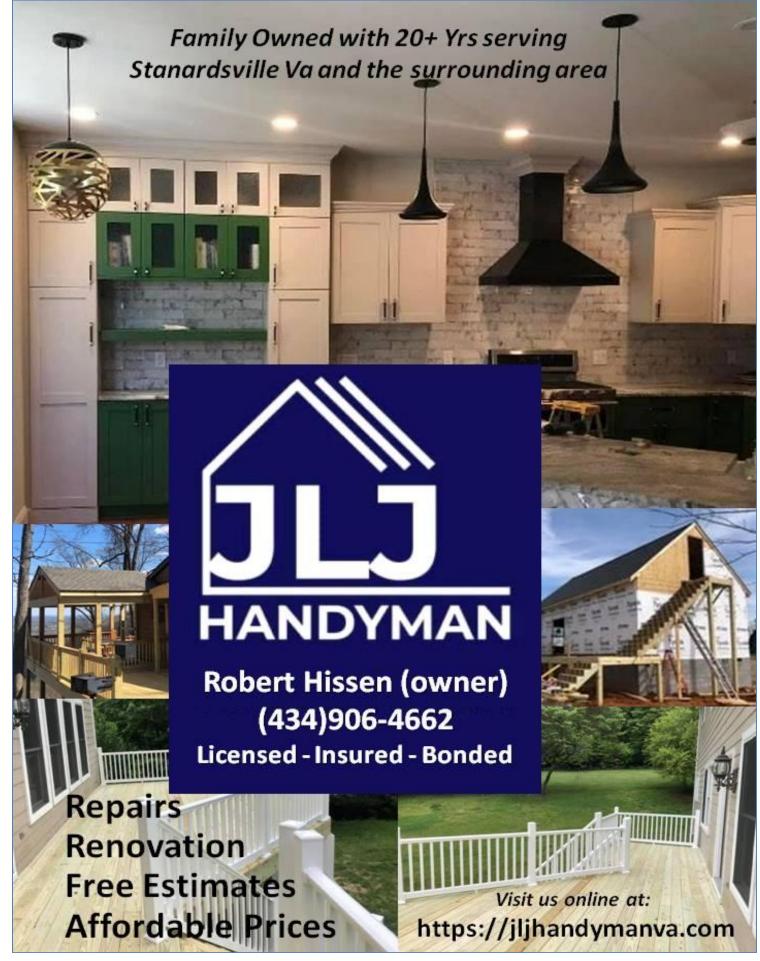

Sixty-nine Junior Angler teams from throughout the United States and Canada competed on the first two days of the tournaments with the Top Teams advancing to the final days Championship Round. Virginia Anglers Kole and Andrew finished the first two days of competition with a limit of bass each day for a total weight of 17 pounds 1 ounce. Which was enough to qualify for the "Lucky Dog" drawing from which they were selected to adavnce to the final round. With their weights zeroed for Championship Day fifteen teams blasted off to compete for their share of \$15,000 in scholarships. Virginia Anglers Kole Reynolds and Andrew Richardson weighed in a three bass limit of smallmouth weighing 10 pounds 3 ounces wich was enough to secure Sixth Place finish and each received a \$250 scholarship.

Congratulations to our Virginia State Junior Angler Champions Kole Reynolds and Andrew Richardson along with their Boat Captain Tim Keen on their Sixth Place finish in the 2025 Junior World Champiionship.

Community Outreach

Virginia Bass Chapter Federations "Rods & Reels for Kids" Project

We would like to thank our "Rods & Reels for Kids" Program Partners, Bass Pro Shop of Hampton, who continues to support our efforts with their donations. Through the 2025 Spring Fishing Classic Rod & Reel Exchange Promotion the Hampton Bass Pro Shop has donated 201 rods and 347 reels in support of our ongoing efforts to provide new and reconditioned rod and reel combos to youth and organizations hosting family and veteran fishing events statewide. We are presently working on several recent requests for rods and reels in support of both youth and veteran events this summer. In 2024, the program efforts provided rods, reels, and tackle items in support of the Stafford County Schools D.A.R.E. event, the Wayne Fenton Annual Veterans Fishing event, the Region 1 Youth Family Fishing Day, the Battlefield Christian Fellowship Youth Tournament on Lake Anna, the Christiansburg Department of Parks and Recreation / Montgomery County Public Schools "Jill's Buddy Camp" for children with disabilities, the Annual Tony Huddleston Memorial Fishing Rodeo in Christiansburg, The Annual Youth Sportsman Day on Curtis Lake, and the Virginia TBF Junior Angler program. We have reconditioned and given out rod & reels to youth anglers competing at our tournaments and the Maryland, Delaware & New Jersey Tri-State High School State Championship Tournament at hosted by the Virginia Bass Chapter Federation on Lake Anna.

Region 4 Tournament Results

Smith Mountain Lake Open Tournament-July 12, 2025

On July 12, Region 4 had its second of three night tournaments. This one was at Smith Mt. Lake. We had a very good turnout and there was some nice fish brought in. Twenty-two of the forty one teams weighed in fish. The results are below:

ce	Club/Open	Boater	Non-Boater	# of Fish	Weight	Big Fish
1	Open	Dalton Bethel	Jared Witt \$1000	5	22.41	6.4
2	Star City	Matt Harman	Ronnie Mitchell \$850	5	19.5	
3	Open	Kyle Smith	Bert Smith \$635+\$390	5	19.48	6.86
4	BlackWater	Daniel Eubank	Douglas Eubank \$380	5	17.72	
5	Open	Kevin Lindsey	Dwayne Lindsey \$255	5	17.16	6.28

Director - James Vick Sr.

Region 6

Includes the counties of Buckingham, Appomattox, Powhatan, Cumberland, Prince George, Amelia, Surry, Dinwiddie, Nottoway, Prince Edward, Sussex, Lunenburg, Charlotte, Greenville, Brunswick, Mecklenburg, Halifax, also the areas of Colonial Heights, Ettrick, Matoaca and Enon in Chesterfield County.

We just finished our tournaments for the year. It's been a real good year everyone caught fish and went home safe. Our last event was at Riverfront Park on the Chickahominy River on September 13th. It was great day and even though the fishing was a little slow but most had their limit at the end of the day. I would like to thank Region 1 for sharing the day with us and working together at the weight in.

The season has been a busy one as seems like there are events every weekend. I would like to thank everyone that helped make this another successful year for Region 6. We are busy working on our schedule for the next season and are looking forward to the first State Team Trail tournament of the 2026 season on the Chickahominy River on October 25th.

James Vick Sr. Region 6 Director

7812-A Richmond Road, Toano, VA 23168

Region 8

Includes the counties of King William, Hanover, Goochland, New Kent, Henrico, Charles City, James City, York, Northumberland, Westmoreland, Richmond, Essex, Lancaster, Middlesex, King and Queen, Mathews, and Gloucester, Accomack, Northampton, Isle Of Wight, and Southampton also all the cities within them including Richmond City, Poquoson, Hampton, Newport News, Virginia Beach, Norfolk, Portsmouth, Chesapeake and Suffolk. All of Chesterfield County except the areas of Colonial Heights, Ettrick, Matoaca and Enon.

Nine Region 8 teams competed in the 2025 TBF National Semi Final on the Ohio River in Moundsville, West Virginia the last week of September. Fishing proved tough on the Ohio River this year as most anglers struggled to catch keeper size fish throughout practice and the tournament. We did, however, have two Region 8 Co- Anglers finish in the money. Mark Elliot finished 2nd in the Co-Angler Division and Tracy Gravely finished in 4th Place. And the best part of the tournament for our Region 8 Team was that Brad Huddleston finished as the Top Virginia Boater in the Angler Division and Mark Elliott with his 2nd Place finish as the Top Virginia Co-Angler. As the Top Virginia Anglers in the District 12 TBF National Semi-Final both Brad and Mark are advancing to the 2026 TBF National Championship Tournament in the spring.

Congratulations everyone on a great effort!

The 2025 Region 8 Tournament season total weights are very close again this year for our top 10 teams. With just one regular season tournaments left the Region Championship is still up for grabs. With two drop tournaments each season the competition for the top spot is always a challenge. October 18th on the Pamunkey River will be the last opportunity to add needed weight towards the Region Championship.

I'd like to thank everyone that helped at our annual Region 8 Open Tournament on the Chickahominy River. We had 78 boats this year on what turned out to be a windy day which limited many anglers' choices as to where they would fish. Congratulations to Region 8's Scott Coons and Mark Elliott who had an impressive 5 fish limit that weighed 20.92 pounds.

Our Open Tournament on the Chickahominy River was the first Region 8 qualifier for the 2026 National Semi Final (NSF) which is scheduled to be held on Lake Anna, September 25-27, 2026. Since the 2026 NSF is hosted by Virginia I suspect everyone will do their most to qualify.

NEW FOR THE 2025 SEASON: We have implemented a Region 8 Champions prize fund that will be awarded to our 1^{st} and 2^{nd} Place Season Champions. We also will be increasing the 2025 Member Appreciation "No-Entry-Fee" Tournament payout to \$1000.

Also: The State Federation has made a few changes for 2025: The State Federation is introducing the Angler and Co-Angler of the Year recognition to the anglers that have the highest total points awarded for participation in the best 4 out of 5 State Team Trail Tournaments each season. The Virginia Angler of the Year and Co-Angler may advance to the TBF National Championship Tournament. The State Federation is also offering a voluntary "Side Pot" at all State Team Trail tournaments in 2025.

Please patronize those businesses that have and continue to support our Region 8 family: Bass Pro Shops, Fishing Pro Tech, Dan's Heating & Air Conditioning, Teriyaki Madness (Hampton, Williamsburg, & Virginia Beach), Feel the Payne Fishing Bait & Tackle, JLJ Handyman, Chuckatuck Trading Post, Old Dominion Guns, and Dove Designs Pro.

I ask that each of us take time out of our busy lives to remember those that are serving to protect our nation along with our friends and family that are battling illness, mourning the loss of a love one, and facing life's challenges each day.

John Flicek Region 8 Director

2025 Region 8 Tournament Schedule

22 March (Sat) Chickahominy (Rte 5) 19 April (Sat) Chickahominy (Rte 5)

12 Sept (Sat) Lake Anna (Sturgeon Creek Marina)

10 October (Sat) Nottoway River (Gen. Vaughan Bridge Ramp)

1 November (Sun) Member Appreciation No Entry Fee Tournament – Chickahominy

The 2026 Region 8 season standings will be based on "Best 6 out of 8" tournaments.

Annual CHICKAHOMINY RIVER OPEN TOURNAMENT - 8 August 2026

The 2026 REGION 8 Chickahominy River Open Tournament at the Chickahominy Riverfront Park is scheduled for August 8, 2026. The entry fee for this year to be the customary \$80 per boat. Tournament limit remains 5 fish per boat. This allows participants an opportunity to fish individually or as a team. The tournament will be on Saturday, 8 August. We will again be paying 1 PLACE for every 5 ENTRIES with a GUARANTEED \$1000 minimum First Place. Of course we will still have the Big Bass award and a \$100 cash prize to the best finishing youth (ages 16 & under). Get your registration in early since boat launch positions are based on the order in which registrations are received! Registration forms are available on the Region 8 Web Site: www.vabassregion8.com. Just select the "OPEN TOURNAMENT" tab to access the registration form.

TOTAL BOAT CONTROL

Region 8 Tournament Results

Chickahominy River Open, August 2, 2025

On August 2nd Region 8 held its Annual Open Tournament on the Chickahominy River. Seventy-eight boats competed in this year's tournament which resulted in a payout of approximately \$5400.00 to the top 15 teams plus \$100 to the Top Finishing Youth Angler.

The hot weather we had experienced over the preceding weeks finally cooled down to a nice 72 degrees as anglers launched around 6:00AM. With the cooler temperature the winds increased to 15 -20 mph limiting where a lot of the teams chose to fish. Many indicated that fishing was tough however, several teams managed to bring some very nice limits of bass to the scales. The first flight of anglers began returning to Riverfront Park for weigh-in at 3:00PM. The Team of Scott Coons and Mark Elliott topped the field with their limit of five bass weighing in at 20.92 pounds. Scott and Mark also had the Big Bass for the tournament, a 6.88 pound largemouth. In 2nd Place were Jamie Nealy and Greg Ball with an 18.11-pound limit. The 3rd Place team was Alfred and Morgan Mistr who weighed in 16.99 pounds. Cody Wilson and Jeff Shelton finished in the 4th spot with 15.82 pounds. In 5th Place was the father and son team of Mike and Dawson Guzik with 15.04 pounds. Tyler Caldwell and Ben Fisher finished in 6th Place with a limit of bass that weighed 14.02 pounds. In 7th Place Was Allen and Jared Williams with 13.90 pounds. Joey Cooke and Justin Hall took 8th Place with 13.73 ponds. In 9th Place was the team of Cody and Brandon Casey with 13.47 pounds. The 10th Place Team was Dave Christian and John Guzik with 13.37 pounds. Fifty-one of the seventy-eight teams brought 237 fish to the scales for a total tournament weight of 537.40 pounds.

Chowan River, August 23, 2025

Shoups Landing on the Chowan River was the site for our sixth tournament of the 2025 season. It turned out to be a nice day on the Chowan River. We had rising water all day and anglers indicated that plenty of smaller fish were caught but keeper size bass were tough to get to the boat. The Guzik brothers, Mike and John, from the Nottoway Bassmasters won the tournament with a nice limit of bass weighing in at 16.13 pounds. The 2nd Place team was Feel the Payne Fishing Angler Brad Webb and Keith Jones from the Peninsula Bass Anglers with 15.11 pounds. In third Place was Bucky & Paul Gyoker from the Feel the Payne Fishing club with a nice limit of bass weighing 13.92 pounds. Bucky & Paul also weighed the Big Bass of the tournament, a 5.88 pound largemouth. The 4th Place Angler with 13.04 pounds was JR Ingram from the TBF Bass Bandits of Virginia. Sammy Henman and Troy Neff took the 5th spot with 12.65 pounds. They were followed by the RVA Bassmasters team of Floyd Dalton and Tarance Fuller with 12.62 pounds.

Chowan River - 23 August

Chowan River - Shoups Landing

Lake Chesdin, September 6, 2025

On September 6th Region 8 teams gathered at Whippernock Marina on Lake Chesdin for tournament number seven of the 2025 Region 8 season. Finding the larger bass this day was tough for most and the weather was cooperative until storms rolled in around 3PM. Fortunately, the 2:30 weigh in had our anglers off the water before the weather deteriorated. The winning team from the Nottoway Bass Masters was Brad Huddleston and Dave Christian with a 5 bass limit weighing 12.68 pounds. Chris Scott & Dillon Clark from the Feel the Payne Fishing club finished in the 2nd spot with their limit weighing in at 11.98 pounds. The father and son team of Dave & Jacob McLean from the 5-Rivers Bassmasters took 3rd Place with 11.27 pounds. In 4th Place was the team of Jason Brooks & Thomas Coluccio from the TBF Bass Bandits of Virginia with 10.98 pounds. Finishing in the 5th spot was NASA-Langley Bassmasters angler James Whitehead & Feel the Payne Fishing's Steve Finch with 10.80 pounds. Steve also caught the tournaments Big Bass a 5.31 pound

largemouth.

Director - Tim Keen

Region 10

Includes the counties of Tazewell, Buchanan, Dickenson, Smyth, Russell, Wise, Grayson, Washington, Scott, and Lee also all cities within them.

With the 2025 season in the books, I want to say a special thank you to all Region 10 members and sponsors that helped make this year such a success. Additionally, I'd like to thank our club presidents which are Jaime Ratliff (Stateline), Kyle Musick (Clinch Mountain) and Jason Keene (Buchanan County). The 2025 Champions for both Region 10 Federation as well as the Clinch Mountain Club were Vince & Justin Botts. Jaime Ratliff & Blaine Miller were the Stateline Club Champions, and Steven Hartford & Charles Bartley were the Buchanan County Club Champions. Job well done to all!

The Region 10 yearly meeting will be December 13th at Bonanza Steakhouse in Lebanon, Virginia. We ask everyone to make plans to attend; we will be signing up members for 2026 season, discussing the 2026 schedule and addressing any suggested changes to the 2026 season. Looking forward to seeing everyone at the December 13th meeting; however, feel free to contact a club president or myself to sign up before this date.

The Region 10 & Stateline Classic is scheduled for February 28, 2026. Safe light start time till 3:00 PM and will be taking off from 421 boat ramp on South Holston Lake (Bristol, TN). Reminder, you must be a paid \$80 member and have qualified through tournaments fished in 2025 season to compete in the Region 10 side of the Classic.

Tim Keen Region 10 Director
